BACK TO SCHOOL EVENT - AUGUST 16

On Monday, August 16 we have two time options for our back to school event. We are requesting that all families attend either the 11 am or 6 pm time. During this event you will have the opportunity to complete necessary paperwork, meet the teachers, meet the principal, bring your school supplies and find your desk.

FIRST DAY OF SCHOOL

We look forward to welcoming all students on the first day of school, August 18. School hours will be Monday-Thursday, 9:00 am-3:45 pm and Friday, 9:00 am-12:30 pm. Doors will open at 8:50 am. All car riders will arrive and be picked up at the front door. Buses will drop off and pick up at the gym side door.

LUNCHESES

Currently all students need to bring a sack lunch for each day. We are currently in the process of getting things settled to begin our lunch program again. We will let you know when we will begin. In the meantime, please pack your students lunch. We will NOT have microwaves available, so please do not pack food that needs to be reheated. Remember to adhere to our food policy in the handbook and refrain from bringing unclean meats.

OPERATIONS FEE

Please remember that the operations fee for the 2021-2022 school year is due by the first day of school. We recommend paying it when you come to the back to school event on August 16. The operations fee is \$100 for the first student, \$50 for each additional within a family.

WELCOME PRINCIPAL KIM PURVIS

Mrs. Purvis is brand new to OHIO!! She graduated from Southern Adventist University in 1990. She is married to Quentin and has two grown daughters, Katie and Kaila. She has taught school in NC, MI, and Alaska! Mrs. Purvis is excited to get to know the teachers, students, and their families because, really, we are all part of God's family. She is looking forward to being the new principal at MCS because, "I love having the freedom a Christian school offers and being able to verbalize the blessings God so freely gives our school. The most important reason is knowing that I can help change the world with our teachers and students and that will make an eternal difference."
